The Eastern Star

Institution of a Chapter in Ponoka

The institution of Battle River Chapter, No. 47, Eastern Star, took place in the lodge rooms, Ponoka on Thursday evening, Mrs. Darlow, W.G.M., of Alia, presided, and was supported by the officers of the Grand Chapter of Alberta. Mrs. T. Wilson, G.C. of Edmonston; Mrs. Collins, G.M.E. of Edmonston; Mrs. Malcolm, G.E. of Red Deer; Mrs. (Dr.) Turner, G.M. of Innisfail; Mrs. Mitchell, G.E. of Alia; and Mrs. Pidgeon, P.G.T. of Red Deer.

The work of Battle River Chapter was duly examined, and the W.G.M., in her remarks, commended Mrs. Darlow, Smith, W.M., and officers on the splendid showing they had made, indeed it came as a revelation to the visitors to find such fine work being done by so young a chapter.

The rooms were beautifully decorated with flowers, and a splendid supper served. A short programme of music, songs and recitations were given, and during the evening Mrs. Darlow was presented with a beautiful cut glass bon-bon dish.

Including visitors, who came from Innisfail, Red Deer, Alia, Lacombe, Wetaskiwin and Edmonston, there must have been about eighty present. The Ponoka members feel proud of the compliments paid their chapter, and are also delighted with the manner in which Battle River Chapter is growing in membership.

PRACTICAL COURSE AT THE OLDS SCHOOL OF AGRICULTURE

Statistics show that farmers, who have had an education make larger incomes than those who have received but little instruction in the art of scientific farming.

In light crop years and in strenuous financial times, such as the country is now experiencing, a thorough training in one's profession is absolutely essential if success is to be attained. One of the present improved methods of farming, men work large areas of land with a minimum amount of labor.

They grow and cultivate their soil with appropriate implements at specific times. They select varieties of grain and kinds of crops that are known to give larger returns than the ordinary varieties and kinds. They treat their seed in a scientific manner, plant at rates per acre which experiments have shown to give maximum yields. They follow a system of crop rotation which aims at the conservation of soil and the production of maximum yields of a variety of grain and feed. They select improvements of breeding animals and feed their stock in accordance with knowledge derived from the chemistry of foods and their homes are equipped with modern labor saving conveniences.

To keep up with the times and to make the most money from the farm one should know how to farm in accordance with these improved methods. You can learn these methods from the course in Agriculture of Education pays; you can learn in a few months what it would take years of experience to give you. Talk with any ex-student regarding the value of the course at the U.S.

Classes in agriculture and domestic science commence on October 1st.

Turkish Troubles

Much Improved

London, September 26.—Smiles, which wreathed Lord Carson's face as he departed from the prime minister's official residence in Downing Street, Monday afternoon, after making a detailed report to the cabinet of his Paris mission, typified the general easing up of the tensions of the Near East situation as viewed from the British capital.

Everywhere in official circles there are expressions of relief that the war crises of last week have been replaced by old school diplomacy, with such an old hand as Curzon directing British policy, and the allies there is no word that the situation has yet been declared to Kemal Pasha, it is estimated that his refusal to come to terms is extremely unlikely.

Constantinople, Sept. 26.—This city is in full cry of exultation over the announcement that the allies were prepared to return Thracian Turkey. The Turkish newspapers on Sunday published special editions with the most sensational news, some of them printing photographs of the ancient capital of Adrianople, which is quite as sacred to the Turks as Constantinople. Others published full page photographs of Kemal with a laurel wreath on his head, as well as glowing accounts of the achievements of the Turkish army.

Asker

SUCCESSFUL SCHOOL FAIR

The school fair held on Thursday September 21, the first of its kind under the direction of the Department of Agriculture and the Department of Education to be held in this part of the way of rural fairs was a great success. The schools taking part were—Water Glen, Calumet, Eureka, Magic, Climax and Asker. The season, at its very busiest in thrashing, did not bring the crowds of parents and visitors that would have been welcome, but, notwithstanding these hindrances, the school children from all the schools were there and did credit to themselves and their districts and teachers. The success in the first place was no doubt due to the faithful manner in which the committee of teachers and trustees worked. This in turn received the loyal support of all parents, and the children are always willing to do their share.

The cars and wagons began to arrive at ten a.m. loaded with school work, sewing, cooking, vegetable, poultry, pigs, lambs, calves and colts. When noon came all the exhibits were nicely arranged, including the vegetables and flowers which Miss Rath, Mr. Holston and Mr. Malloy, of Oils, kindly assisted in. The different districts contributed a plate of sandwiches, cake, pie, chicken, salad, etc., and served the children to luncheon. Immediately after this the work of judging commenced. Inspector Nelson and Mr. I. Petersen, of Ponoka, judged the school work. Mrs. Henry, also from Ponoka, judged the arts. Miss Rath, of Oils Agricultural College, judged the sewing and cooking and Mr. Holston and Mr. Malloy also of Oils judged the insects, plants, vegetables, flowers and live stock.

The sports under the capable direction of Mr. Bares and Mr. Petersen were run off next; and last but not least the day's pleasure for the children were the moving pictures given by Messrs. Holston and Malloy.

The lists on prizes for exhibits and sports are not yet prepared, but according to the judges it seems there was only a very few points in difference between the competing schools.

The exercises and also the congratulations on success of the event, given by judges, were much appreciated by all concerned. This was at least the remarks by all who left in the evening for their respective homes with groups of tired but happy children.

The Late Mrs. J. Johansson

With deep regret we are this week obliged to announce the death of one of our oldest and esteemed friends and neighbors, Mrs. J. Johansson, the last evening taking place on Wednesday morning, September 20. Mr and Mrs Johansson came to this country from Norway in 1904 with their family. Here they took up their homestead and worked together until Mr Johansson's health failed, and eventually his death resulted some ten years ago. Mrs Johansson, with the assistance of her sons and daughters, worked on and built up a nice home for her widow.

Mrs Johansson was a very clever and intelligent woman as well as a kind and thoughtful wife, mother and friend. Always taking part in affairs for the betterment of her district, and especially in connection with the work of the church. She was an active member of Asker and Calumet Ladies' Aid Societies. She leaves to mourn her death three sons and three daughters—Gunner, Chris, and Eric and Mrs. Ouss, Mrs. Aune and Miss Rago, also a sister Mrs. O. Nelson.

Mrs Johansson was born (Agnes Christensen) on June 13, 1860, at Asker, Norway. She was ill only about three weeks, the end coming peacefully. Dr. McManus and Nurse Sharpe of Bashaw were in constant attendance, but all to no avail. The funeral was held from Asker church on Friday afternoon—Rev. Lew conducting the services. The funeral cortege included friends from Magic, Eureka, Calumet and Asker. The pall bearers were—Messrs O. Nelson, H. Edin, C. Paulsen, G. Paulsen, O. Edin and L. M. Trosson.

Her husband was laid to rest beside those of her husband in the peaceful little cemetery on the site of the old town. A large number of people were present including friends from Asker and Calumet Ladies' Aid.

Mrs. Hedvig Brown is visiting with her sisters at Asker and Calumet for a couple of weeks.

The thrashing operations in this district will be practically over by the end of another week.

Mr and Mrs O. A. Johnson and S. Johnson, of Water Glen, spent

Provincial News

Officials of the Canadian Colonization Association including Sir John Willison, president; M. A. Brown, vice-president; Howard Everett, secretary-treasurer, and Director General MacDonald and F. D. L. Smith, together with a delegation from the Board of Trade, waited on Premier Greenfield and the members of the Alberta Government during the afternoon of Wednesday, Sept. 21, and presented the history and proposed operation of the colonization scheme as had been evolved by their organization. They asked for the approval and co-operation of the government.

1. Assist in selecting districts for settlement.
2. Extend expert agricultural advice to settlers, especially during the initial period of their tenure.
3. All settlers by scientific soil surveys, thus determining adaptability of particular lands to various crops.

4. Utilize their Agents General in Great Britain in helping to select the right kind of settlers for the various provinces.

5. Furnish the Canadian Colonization Association with literature describing the special agricultural attractions of respective provinces. Premier Greenfield replied as follows:—We have no Agents-General in Great Britain, consequently cannot give any assistance in this direction, but so far as concerns the other assistance which you ask for, it is already available for all settlers and organizations, but I am not prepared to express an opinion on your general scheme until the Government has had an opportunity to thoroughly acquaint themselves with all facts bearing on the subject, and make a thorough study of the whole question.

What is regarded as a very good sale of Alberta Government bonds was made this week, when \$3,000,000 debentures were sold by the National City Company, of New York and Montreal at 97 3/4. The proceeds of the sale will be used for a funding purpose, and the sale indicates that Alberta's financial position stands high. Eight bidders submitted prices, showing a strong demand for our provincial securities.

Business barometers are all pointing to better times. The big coal strikes are settled. The railway strikes are nearing adjustment. The recovery is more noticeable on this side of the Atlantic than on the other. For food products the dollar is going much further than a year ago. On the prairies this year fruit is cheaper than for some years, and this is a great thing in prairie homes. Perhaps the best indications we have before us in Canada that real business is again opening is in the decision of the National Rate of Exchange in Edmonton on their large western oil shops, and the Imperial Oil Company to erect a large oil refinery plant at Calgary. These things have a real meaning.

"There seems to be no doubt that the municipal hospitals of Alberta will become permanent establishments in the life of the province." This quotation is from the Red Cross magazine, and that paper points out that "the work for the necessary medical and nursing needs of the people living in districts at great distances from the services which are afforded by towns and cities."

From several points in Alberta come the news of the formation of curling clubs, and the erection of new curling rinks. No winter sport fits into the life of Western Canada, so far as participation is concerned, more than curling. Like golf, it appeals to the young and old of both sexes. It is a friendly game, good exercise, and a sport that uses much the work of good feeling; and it makes our Western winters seasons of joy and pleasure. It is an ever-increasing number of votaries, and thus has a good influence on Western Canadian life.

Sunday at the home of Mr and Mrs A. F. Kretling.

Mr and Mrs Phillips visited with Mr and Mrs C. Phillips last Sunday.

Mr and Mrs R. and O. C. Raynolds were visiting at Mr and Mrs Gial's on Sunday.

Miss Forester spent the week-end with friends at Estabate.

(Our Asker and Climax correspondents are to be congratulated on the news item they are submitting, and it must be a source of pleasure to the readers. Nothing like having your own paper on the public, and so let the good work go on.)

COAL

OTTING
OF
TOWN AND
DISTRICT

Local News.

Mrs. Richard Thomas is visiting in Calgary.

R. C. Ames motored to Edmonton on business last week.

Mrs. Jerry Donovan has gone to visit with her son in Nelson, B.C.

Mrs. Chris. Albrecht is spending a few days in Edmonton.

Mrs. John Giblanka left Sunday on a visit to friends in Nebraska.

Mr. and Mrs. A. A. Graham were week-end guests in Edmonton.

Mr. and Mrs. A. L. Farnum and family left for Spokane on Thursday, and expect to make their home there.

Geo. D. Clark has been successful in securing a fine soft water well on his farm in the Chester wood district.

C. O. Cunningham was in Calgary on business over the week-end.

Mr. and Mrs. L. T. Barclay and Mr. and Mrs. Jack Barclay and family, of Edmonton, were in town on Sunday.

A. Holben met with a rather severe accident the other day through being knocked down and trampled on by a colt. He is suffering considerably from the pain.

About a dozen boys and girls from town and district left on Monday to enter the University of Alberta.

Miss M. T. Neill, of Loversburg, visited with her aunt, Mrs. Ruben Smith, for a day or two. She has gone to take a position in the Bank of Commerce at St. Paul de Metis.

Mrs. Anton Bittner has been remembering her friends with beautiful bouquets of flowers. She has always been mindful in this respect.

Thursday, the 21st, was the last half holiday for the season. The stores will now remain open every lawful day of the week, and so some along and spend your thousands in trade.

A number of Oldfellows from town accompanied D.G.M. L. I. Stuart on his official visit to Rimby on Thursday. There was a large attendance and the visiting brethren were royally entertained.

It is pleasing to note the success that the Ponoka Creamery met with at the Ottawa Fair, held in September 8-18. They won two firsts for butter—14 lb. solid pack, 97.5 per cent; and for 20 lb. prints, 97.7 per cent. Jack Robinson also won a first prize for cheese at the Victoria exhibition.

The Constituency Conference for the Ponoka district of the Women's Institute will be held in Ponoka on October 5th, at 3 p.m., at the home of Mrs. Geo. Gordon. LaCombe, Olive and Blackfallo will be represented. Mrs. Huys, of Strone, will be the speaker. These meetings are very interesting, and we extend a hearty invitation to all ladies of the town and country to attend. Tea will be served.

Chas. M. McCollum, of Brampton, Ont., spent Friday visiting his friend of former years, Rev. J. B. Francis, at the Manse.

Mr. and Mrs. J. W. Spiece and grandson, Jack, of Mirror, were the guests of Rev. J. B. and Mrs. Francis over the week-end.

A grand dance will be held in the Battle River Hall, Ferrybank, on Friday evening, October 5th. Good music, and you are welcome.

Threshing is about 75 per cent over, and many of our farmers are busy with the fall plowing.

The first touch of frost for the season was observed Friday morning, and then it was very light.

Messrs. Frank Wright, of Miller, S. Barker and Charlie Segerstrom (three non-productives) were guests of Mr. and Mrs. C. C. Reed, of the Eureka district, over Sunday. The day was pleasantly spent, Mr. Reed showing them over his broad acres, dilating on the Near East, and read a chapter from "Turks I Have Known," while the hostess entertained the bachelor trio in a charming and sumptuous manner. The party left with deep emotions, feeling that it was indeed good to be lifted out of the solitude once in a great while.

There will be sold, by Public Auction, at the town hall, Ponoka, on Saturday, Sept. 30, the household goods belonging to Mrs. Warren Woods. D. A. Morrow, auctioneer.

Showing at the Empress on Friday and Saturday, Sept. 29 and 30, George Moffatt's production "Behold my Wife," from "The Translation of a Savage," by Sir Gilbert Parker. A Paramount picture, and a special at the regular price, 15c and 30c.

CARD OF THANKS

Mr. and Mrs. V. E. Brown and family desire to thank their many friends for the kindness shown them in their recent bereavement, the death of their little son and brother.

CHURCH NEWS

ST. MARK'S

A harvest festival will be held in the church on Sunday, October 8. Contributions of grains, fruit, etc., will be gratefully received.

UNION CHURCH

Sunday, Oct. 1—11 a.m., topic, "Things Money Can't Buy," followed by Sunday school at 12 noon. Topic, "The Birth of John the Baptist." Rally Day service at 2:30 p.m. The church will be decorated for the occasion. 7:30 p.m., evening worship at Ponoka. Topic, "The Spiritual Uses of Memory." All are specially welcome, and will receive a hearty welcome at the Union church.

BAPTIST

Sunday, October 1.—Concord, Sunday school at 2 p.m.; church service at 3 p.m.; Sunday school at 11 a.m.; evening worship at 7:30 p.m. Subject, "The Messianic and the Power of the New

Commandment." Special singing. The doors of the home-like church are open to all. Arrange to spend Sunday evening with us. Choir practice Friday evening at 8.

Holders of 1922 Victory Bonds who have decided to exchange their maturing bonds for new bonds carrying the same rate of interest, under the proposals of the Minister of Finance, which are now being advertised, would do well to surrender their bonds at once, rather than delay until September 30 approaches. When the bonds were first issued in 1917, the 1922 maturity was a favorite with small investors, many of whom were buying bonds for the first time. Consequently, there are many, many thousands of individual holders and it would be a great help to the banks and the Department of Finance in carrying through the conversion expeditiously, as well as a convenience to the holders themselves, if they would turn their bonds into the banks as early as possible.

Lost, Elgin watch, size 12; plain gold-filled case. Reward \$5.00. E. BOWKER.

Special offer of Photographs—\$2.00 to \$5.00 per dozen—two months only, August and September—B. N. Cameron, Photographer Ponoka and Lacombe. Ponoka Studio open every Saturday afternoon.

Good meals, clean comfortable rooms, and good service can be had at the Albert Hotel, under new management.

Morningside

CHURCH NEWS

In the church at Morningside, on Sabbath, Sept. 17th, at 3 p.m., the united congregations of Fairview, Milton and Morningside had the rare opportunity of hearing Miss Gay, of North Huan, China, who is home in Canada on furlough. It was an unusually large congregation, representing all parts of this field, who welcomed Miss Gay to Morningside. The gathering included a goodly number of children and young men and women.

Miss Gay spoke quietly yet very earnestly, and very soon captured her hearers, for everyone present, even young children, is ened in wrapt attention.

The missionary gave a stirring testimony to the many triumphs of the Gospel of Jesus among the Chinese people. Though telling us something, in her very modest way, of her own experience and encouragements in her work, she especially emphasized the opportunity in China of great opportunity to work for and with Jesus, work which promises very certain and far-reaching results.

Miss Gay may very well be assured of a real welcome back to Morningside at any time, for not only the adults have voiced their appreciation of her visit and message, but some of the children have said "I would like to listen to Miss Gay every Sunday."

Lonis' Supper, October 1st.—The Lonis' supper will be administered on October 1st, at Fairview at 3 p.m., at Milton 2 p.m., and at Morningside at 4 p.m. The minister and members of assembly, on behalf of the members of each congregation, very earnestly invite all Christians of whatever denomination to join us in this Holy Sacrament in memory of the death of our common saviour, Jesus Christ.

GEORGES CARPENTIER KNOCKED OUT IN SIXTH ROUND

Paris, Sept. 27.—Georges Carpentier, the heavyweight champion boxer of Europe, was defeated on Saturday by Battling Riki, the Senegalese fighter, in the sixth round of what was to have been a twenty-round bout.

Carpentier never had a chance after the third round. He was barely able to respond to the bell at the beginning of the sixth. With his right eye completely closed and his nose broken, he was unable to put up a guard.

In the sixth the Senegalese fighter planted a series of terrific rights in Carpentier's head and the French giant crumpled to the floor.

Advance in Cream Prices

An increase in the price of Cream to the following basis, effective Thursday morning, September 28, is announced:

Ford Truck

For Fall & Winter Hauling

The only limit to the usefulness of the Ford Truck is the limit to the usefulness of the Ford Truck is the limit of hauling jobs to be done. In hauling corn to the ensilage cutter, grain to the barn or separator, harvesting the potato or root crop it cuts the time in half—and will show even a greater saving of time on road work.

Winter hauling of all kinds can be accomplished in comfort—the closed cab keeps the driver warm on days when he would freeze to death on a wagon.

You can buy a Ford Truck on our Thrift Plan—a moderate down payment and the balance spread over twelve months. Let us get together and talk it over.

Sale of Town Lots

HUDSON'S BAY COMPANY
offers locally a number of
choice residential lots, business
locations—also acreage—for immediate
disposition at prices which suggest
early and substantial profit to the
careful investor.

Many ratepayers here will be quick to see the advantage of anticipating other buyers where these lots adjoin their present holdings.

Terms attractive. One-third paid down secures a lot for you. Balance in two equal annual instalments with interest at 7%.

For Plans and full particulars interview local Sales Solicitor

C. W. SEGERSTROM, Ponoka

or write Land Commissioner

HUDSON'S BAY COMPANY, Winnipeg
